

# Screening Call — AbbVie / Sterling Engineering

**Date:** 2026-02-09 (Sunday) **Duration:** ~35 minutes **Type:** Initial screening / introductory call

## Attendees

Name	Role
Mary Gallian	Recruiter
Matthew Connelly	Senior Engineer, Sterling Engineering
Justice	Candidate

## Position

### Building Automation Controls Engineer

- Client: AbbVie
- Agency: Sterling Engineering (contract / contract-to-hire)

## Call Summary

- Introductory conversation — did **not** go deep into professional background
- Mary noted the team was "amazed at the decorated work history"
- Matthew Connelly participated as a top engineer from Sterling Engineering
- Tone was positive and conversational

## Key Takeaways

1. The team is already familiar with and impressed by the resume
2. Tomorrow's interview will likely go deeper into technical background
3. Matthew Connelly's involvement suggests he may be a direct collaborator or lead on the AbbVie account
